WineWise Notes:

This is a forthright champagne that shows Blanc de Blancs at its most charming and generous. The grapes come from Cuis, Chouilly and an excellent cru in Épernay called Justice. The dosage is now just 3 gm..

WineWise Notes on Producer:

We are inordinately proud to have been appointed the California importers for this celebrated Côte des Blancs producer. Because she is married to Jean-Paul Hébrart, we have known and liked Isabelle Diebolt for many years. Presiding over an 11 hectare estate raised to prominence by her father Jean since the 1970's (though they trace their roots to Cuis in the 1500's), she is an indefatigable perfectionist whose vivid wines have won acclaim in all quarters. The majority of their chardonnay vines lie in Cramant (Grand Cru) and Cuis (1er Cru), with additional holdings in Chouilly and Le Mesnil (Grands Crus) and the Côtes d'Épernay. Their small plantings of black grapes are from the Montagne de Reims and the Côte de Bar.

The juice for all their Blanc de Blancs wines is exclusively cuvée. With the exception of the Fleur de Passion, (their tête de cuvee), the wines systematically go through malolactic fermentation. The result is a range that stylishly limns the capacity of chardonnay to offer tautness, fruit and minerality. Drawn from a relatively small geographical expanse, the wines expertly reflect both the bracing particularity of their origin in the north of the Côte des Blancs and the rounder qualities derived from the vineyards towards Épernay – the best of both worlds!
