

Dehours & Fils 2015 Millesime Extra Brut

WineWise Code	KDE-915
Country	France
Region	Champagne
Color	Sparkling
Case Size	6x750
Net	NET
ABV	12.5
Acidity	4.9
Dosage	0
Years in Blend	2015
Bottling Date	July 2016
Disgorgement Date	September 2022
Annual production	3005 bottles
Varieties	50% Meunier 50% Pinot Noir
Destemming	Whole Cluster
Fermentation vessel	Stainless Steel
Aging method	Stainless Steel
Aging duration (months)	72
Filtered	No
Fining Agents	None
Yeast	Native
Malolactic	Yes
Added Sulfur	yes <30 mg/L
Soil Type	Clay, Calcareous
Elevation (meters)	100-150
Vine Age (years)	35
Farming practices	Sustainable
Vine Training Notes	Chablis, Vallée de Marne
Grape Picking	Hand-harvested

Notes from the Producer:

Le Millésime is a cuvée dedicated to the best wines from each Vintage. Each harvest is different in style and this cuvée will be the tribute to each year. In 2015, the harvest started on the second half of September. This is a selection of the best plots of the 2015 harvest : 50% of Meunier from Port à Binson and Cerseuil and 50% of Pinot Noir from "Maisoncelle" plot

As is typical for the Champagne region, our domaine has lots of small, separate plots, including at least 42 vineyards divided between the villages of Mareuil-le-Port, Oeuilly and Troissy. We have a wide variety of exposures, geology and grape varieties. Our vines are planted at many different altitudes and have a wide range of ages. This creates many nuances which express themselves in our different wines. This cuvee reveals the Pinot Meunier character, favorite grape variety in the Marne Valley area and iconic identity of our Vineyard. Jérôme Dehours runs the estate, which was founded by his grandfather in 1930. In 1996, Jérôme Dehours stopped this activity to focus on the vineyard. This marked a complete reset of the company (stock, material, clients,...)with an emphasis on the Terroir identity, together with more respectful and healthy practices (for both the environment and human beings).

WineWise Notes on Dehours & Fils:

First of all is Jérôme Dehours himself, a debonair, slow-talking man of exceptional lucidity and passion. To get a sense of his uniqueness, you can read the remarkable manifesto he publishes about his enterprise which describes every aspect of his work, down to the brand and engine size of his tractors. He took over the domaine in 1999 and started a conversion to organic viticulture, which is now complete. The domaine consists of 42 parcels, all within close reach of the winery. Dehours was the first producer in Champagne to offer "vins parcelaires" emanating from their lieux dits – a now commonplace practice. Total production is typically 70-80,000 bottles a year, all of which are held back for an above-average period before release to the market. (A superlative late-released 2003 from that most unfashionable vintage was the single most stunning wine tasted on a recent tour). The wines are not filtered or fined, all enjoy a passage through wood, and they are allowed to go through malolactic fermentation naturally in the spring. The yeasts used are indigenous, but Dehours makes their own cocktail of the best. Jérôme likes to employ the tailles, so often sold off by other producers, feeling that they impart useful and attractive qualities to the finished wines. Certainly, the prevailing cashmere elegance of his range is testimony to the fastidious care with which he works – a fact recognized by an adulatory press in France and important customers among the big houses who ask him to press their grapes for them. We count ourselves lucky indeed to have this important agency in our portfolio.
